 Connectional Ministry Inventory**

INTEREST AND TALENT SURVEY FORM

The Conference Committee on Nominations (CON) is always working to help persons fulfill their calling by sharing their skills and experiences. We have a deep commitment to inclusiveness: clergy/lay, men/women, persons of all ages, and persons of different racial and cultural backgrounds, handicapping conditions, and geographic diversity. We are always seeking for names of persons willing and able to serve. Please be mindful that we may not be able to use all suggestions due to the need for inclusiveness of many categories. We will review each survey and keep the names in mind as we nominate persons to serve the conference.

Please indicate your interest and willingness to assist and to serve the conference. Please indicate your 1st, 2nd, and 3rd choice. *(Mark up to three areas of special interest within the conference boards—boards deal with all areas included in sub-headings.)*
