He is currently working in collaboration with Conference to plant a satellite of Sparks UMC in the rapidly growing Spanish Springs area north east of Sparks. He has a heart for evangelism and grown a great affinity to the Great Northern District annual Shasta Men's Retreat since first attending in 2013. Lee stated “I look forward to our time together as the close of summer.”

What to Bring:

You will need to bring a Bible, clothing for warm day and cool nights, flashlight, note-book & pencil, camera, toiletries, towel for the hot shower, insect repellent, your own bedding and pillows. For those that choose to sleep outdoors, don't forget your tents!

Facilities:

Shasta United Methodist Camp is designated as a primitive area by the U.S. Forest Service. It is located nine miles east of Mt. Shasta City and highway I-5.

Nestled among the pines at the 5000' level, you will delight in the view of Mt. Shasta while drinking-in the peace only nature can offer. Nearby lakes offer water activities such as boating, swimming, fishing and hiking.

Central restrooms are equipped with hot showers. Accommodations are “dorm-style” in the lodge or pitch your tent under the canopy of stars. Due to limited inside sleeping space, Limited cot and mats are available in the order of registration. Tent sites are located throughout the retreat area and are highly recommended for peaceful nights

sleep in the outdoors. Trailer and RV spots are also available, but there are no hookups.

Free Time Activities:

Sailing and canoeing at Lake Siskiyou.

Fishing at Castle Lake & Lake Siskiyou.

Hiking thru the trails throughout the area.

Horseshoes & other activities at camp.

Great Northern District Men's Retreat

**This year's theme will be:
"B.L.E.S.S."**

5 everyday ways to love your neighbor and change the world. No matter who your neighbors are, the Bible's advice on how I am to treat them is clear. It says, "Love your neighbor as yourself" eight times. Not once, Not twice Eight times! Loving your neighbor is so important to God that He repeats Himself, but also makes it a command. Jesus coupled loving your neighbor with the command to love God.

This year's retreat will focus on practicing five everyday ways to love your neighbor and change the world:

**Begin with prayer
Listen
Eat
Serve
Story**

Join us as we learn these five simple practices that God has provided to accomplish God's mission in the world!
